

Συμπληρώνω τις προπαίδειες των διψήφιων αριθμών παρακάτω:

| 1 X 10 = | 1 X 11 = | 1 X 20 = |
|----------|----------|----------|
|          |          |          |
|          |          |          |
|          |          |          |
|          |          |          |
|          |          |          |
|          |          |          |
|          |          |          |
|          |          |          |
|          |          |          |

| 1 X 20 = | 1 X 30 = | 1 X 50 = |
|----------|----------|----------|
|          |          |          |
|          |          |          |
|          |          |          |
|          |          |          |
|          |          |          |
|          |          |          |
|          |          |          |
|          |          |          |
|          |          |          |

Όνομα: \_\_\_\_\_
